

**Important update for current and new clients regarding Coronavirus
Cary office is open again for limited in-person sessions. Greensboro office is open
for in-person appointments, if needed. N Raleigh will remain closed until April 17th.**

We are encouraging both new and current clients to utilize our telehealth (video) platform for sessions. If interested in scheduling or learning more, please call our main office or email info@wynnsfamilypsychology.com We do have openings for in-person appointments, if needed, at our Cary location only.

Admin will be answering the phones and available to help with client needs M-F during regular business hours.

Please let us know if you have any questions.

We appreciate your understanding at this time and we look forward to seeing you (via video or in person!) soon!
