Parent Testimonial

"I just wanted to say how amazed I've been with you social skills summer camp, and the immediate results I've seen in E. Really, I wasn't sure what to expect since we'd never done this type of class before, but she's been super excited after each sessions. I've seen a real improvement in her manners, her ability to handle frustrating situations without losing her cool, and with accepting "no" for an answer. With the dramatic improvement I've seen in her coping skills, I will do whatever it takes to keep her in social skills classes this fall. This is truly an investment that is showing immediate and drastic results!"
